WORK EXPERIENCE

Sports Medicine Intern

06/2019 – 07/2019

The Steadman Clinic

Vail, CO

- Worked alongside the Philippon hip team as a researcher on the hip joint, crafting scientific research papers
- Shadowed leading pain interventionists, specialized surgeons, and stem cell researchers
- Proposed novel hip research projects to surgeons and physical therapists to inform future treatments

Contact: Lauren Pierpoint – lpierpoint@sprivail.org

Orthopedic Medical Intern

06/2018 – 07/2018

The Steadman Clinic

Vail, CO

- Examined hip & knee cadavers in research labs while assisting professionals in the preparation of an ACL
- Surgically dissected the hip joint with a hip scope & shaved bone impingement with a surgical burr
- Assisted ProofPoint Biologics to write research papers on Platelet Rich Plasma blood spinning techniques

Contact: Grant Doman – gdoman@sprivail.org

Nike Company Store Sales Associate

06/2016 – 08/2016

Nike, Inc.

Beaverton, OR

- Assisted customers, senior executives, and professional athletes with purchase decisions in the largest revenue producing Nike retail store in the world
- Enhanced a collaborative sales team environment working alongside sixty other Nike employees
- Executed daily inventory management duties utilizing digital & mobile resources with stock personnel

Contact: Robby Valdez – robert.valdez@nike.com
